## 3. Examination of Lots

(a) M&E's knowledge of lots is partly dependent on information provided by the Seller and M&E is unable to exercise exhaustive due diligence on each lot. Each lot is available for examination before sale. Bidders are responsible for carrying out examinations and research before sale to satisfy themselves over the condition of lots and accuracy of descriptions.

(b) All oral and/or written information provided to Bidders relating to lots, including descriptions in the catalogue, condition reports or elsewhere are statements of M&E's opinion and not representations of fact. Estimates may not be relied on as a prediction of the selling price or value of the lot and may be revised from time to time at M&E's absolute discretion.

## 4. Exclusions and limitations of liability to Buyers

(a) M&E shall refund the Purchase Price to the Buyer in circumstances where it deems that the lot is a Counterfeit, subject to the terms of M&E's Authenticity Guarantee.

(b) Subject to Condition 4(a), neither M&E nor the Seller:-

(i) is liable for any errors or omissions in any oral or written information provided to Bidders by M&E, whether negligent or otherwise;

(ii) gives any guarantee or warranty to Bidders and any implied warranties and conditions are excluded (save in so far as such obligations cannot be excluded by English law), other than the express warranties given by the Seller to the Buyer (for which the Seller is solely responsible) under the Conditions of Business for Sellers;

(iii) accepts responsibility to Bidders for acts or omissions (whether negligent or otherwise) by M&E in connection with the conduct of auctions or for any matter relating to the sale of any lot.

(c) Without prejudice to Condition 4(b), any claim against M&E and/ or the Seller by a Bidder is limited to the Purchase Price for the relevant lot. Neither M&E nor the Seller shall be liable for any indirect or consequential losses.

(d) Nothing in Condition 4 shall exclude or limit the liability of M&E or the Seller for death or personal injury caused by the negligent acts or omissions of M&E or the Seller.

## 5. Bidding at Auction

(a) M&E has absolute discretion to refuse admission to the auction. Before sale, Bidders must complete a Registration Form and supply such information and references as M&E requires. Bidders are personally liable for their bid and are jointly and severally liable with their principal, if bidding as agent (in which case M&E's prior and express consent must be obtained).

(b) M&E advises Bidders to attend the auction, but M&E will endeavour to execute absentee written bids provided that they are, in M&E's opinion, received in sufficient time and in legible form.

(c) When available, written and telephone bidding is offered as a free service at the Bidder's risk and subject to M&E's other commitments; M&E is therefore not liable for failure to execute such bids. Telephone bidding may be recorded.

## 6. Import, Export and Copyright Restrictions

M&E and the Seller make no representations or warranties as to whether any lot is subject to import, export or copyright restrictions. It is the Buyer's sole responsibility to obtain any copyright clearance or any necessary import, export or other licence required by law, including licenses required under the Convention on the International Trade in Endangered Species (CITES).

## 7. Conduct of the Auction

(a) The auctioneer has discretion to refuse bids, withdraw or re-offer lots for sale (including after the fall of the hammer) if (s)he believes that there may be an error or dispute, and may also take such other action as (s)he reasonably deems necessary.

(b) The auctioneer will commence and advance the bidding in such increments as (s)he considers appropriate and is entitled to place bids on the Seller's behalf up to the Reserve Price for the lot, where applicable.

(c) Subject to Condition 7(a), the contract between the Buyer and the Seller is concluded on the striking of the auctioneer's hammer.

(d) Any post-auction sale of lots shall incorporate these Conditions of Business.

## 8. Payment and Collection

(a) Unless otherwise agreed in advance, payment of the Purchase Price is due in pounds sterling immediately after the auction (the "Payment Date").

(b) Title in a lot will not pass to the Buyer until M&E has received the Purchase Price in cleared funds. M&E will generally not release a lot to a Buyer before payment. Earlier release shall not affect passing of title or the Buyer's obligation to pay the Purchase Price, as above.

(c) The refusal of any licence or permit required by law, as outlined in Condition 6, shall not affect the Buyer's obligation to pay for the lot, as per Condition 8(a).

(d) The Buyer must arrange collection of lots within 10 working days of the auction. Purchased lots are at the Buyer's risk from the earlier of (i) collection or (ii) 10 working days after the auction. Until risk passes, M&E will compensate the Buyer for any loss or damage to the lot up to a maximum of the Purchase Price actually paid by the Buyer. M&E's assumption of risk is subject to the exclusions detailed in Condition 5(d) of the Conditions of Business for Sellers.

(e) All packing and handling of lots is at the Buyer's risk. M&E will not be liable for any acts or omissions of third party packers or shippers.

(d) reject future bids from the Buyer;

(e) charge interest at 8% per annum above Lloyds TSB Bank plc Base Rate from the Payment Date to the date that the Purchase Price is received in cleared funds;

(f) re-sell the lot by auction or privately, with estimates and reserves at M&E's discretion, in which case the Buyer will be liable for any shortfall between the original Purchase Price and the amount achieved on re-sale, including all costs incurred in such re-sale;

(g) Exercise a lien over any Buyer's Property in M&E's possession, applying the sale proceeds to any amounts owed by the Buyer to M&E. M&E shall give the Buyer 14 days written notice before exercising such lien;

(h) commence legal proceedings to recover the Purchase Price for the lot, plus interest and legal costs;

(i) disclose the Buyer's details to the Seller to enable the Seller to commence legal proceedings.

#### 10. Failure to collect purchases

### Morton & Eden Ltd.'s Authenticity Guarantee

*If Morton & Eden Ltd. sells an item of Property which is later shown to be a "Counterfeit", subject to the terms below Morton & Eden Ltd. will rescind the sale and refund the Buyer the total amount paid by the Buyer to Morton & Eden Ltd. for that Property, up to a maximum of the Purchase Price.*

*The Guarantee lasts for two (2) years after the date of the relevant auction, is for the benefit of the Buyer only and is non-transferable.*

"Counterfeit" means an item of Property that in Morton & Eden Ltd.'s reasonable opinion is an imitation created with the intent to deceive over the authorship, origin, date, age, period, culture or source, where the correct description of such matters is not included in the catalogue description for the Property. Property shall not be considered Counterfeit solely because of any damage and/or restoration and/or modification work (including, but not limited to, traces of mounting, tooling or repatinating). Please note that this Guarantee does not apply if either:-

(i) the catalogue description was in accordance with the generally accepted opinions of scholars and experts at the date of the sale, or the catalogue description indicated that there was a conflict of such opinions; or

(ii) the only method of establishing at the date of the sale that the item was a Counterfeit would have been by means of processes not then generally available or accepted, unreasonably expensive or impractical; or likely to have caused damage to or loss in value to the Property (in Morton & Eden Ltd.'s reasonable opinion); or

(iii) there has been no material loss in value of the Property from its value had it accorded with its catalogue description;

(iv) the sole grounds for claiming that the item is a Counterfeit are based on a difference of opinion between Morton & Eden Ltd and a third-party coin grading service.

To claim under this Guarantee, the Buyer must:-

(i) notify Morton & Eden Ltd. in writing within one (1) month of receiving any information that causes the Buyer to question the authenticity or attribution of the Property, specifying the lot number, date of the auction at which it was purchased and the reasons why it is believed to be Counterfeit; and

(ii) return the Property to Morton & Eden Ltd. in the same condition as at the date of sale and be able to transfer good title in the Property, free from any third party claims arising after the date of the sale.

Morton & Eden Ltd. has discretion to waive any of the above requirements. Morton & Eden Ltd. may require the Buyer to obtain at the Buyer's cost the reports of two independent and recognised experts in the relevant field and acceptable to Morton & Eden Ltd. Morton & Eden Ltd. shall not be bound by any reports produced by the Buyer, and reserves the right to seek additional expert advice at its own expense. In the event Morton & Eden Ltd. decides to rescind the sale under this Guarantee, it may refund to the Buyer the reasonable costs of up to two mutually approved independent expert reports, provided always that the costs of such reports have been approved in advance and in writing by Morton & Eden Ltd.
